**Attachments:** ATT00001.txt

Hi Doug,

Thank you for this. I will look it over.

The Newark Environmental Committee won't meet this month, but I will see if anyone wants to attend. I'm assuming the meeting is on zoom.

Cynthia Mellon  
Co-Chair  
City of Newark Environmental Commission

FYI, please see the announcement of the comment period for the Riverside site which begins today.

At the July 9 meeting we talked about putting together a committee to look over the proposed plan, please let me know if you would be interested in serving on that committee by tomorrow if at all possible.

The proposed plan is available here <https://semspub.epa.gov/work/02/615469.pdf> and I have also attached a copy.

thanks  
Doug

**Subject:** U.S. EPA Public Meeting: Riverside Industrial Park Superfund Site, August 5, 2020

**Date:** July 22, 2020 at 1:45:09 PM EDT

**To:** Undisclosed recipients;;

Good afternoon.

For those of you who don't know me, my name is Shereen Kandil and I'm the Community Affairs Team Leader for the U.S. Environmental Protection Agency Region 2 (NY, NJ, PR, VI). I also serve in a dual role as a Community Involvement Coordinator for many Superfund sites, including the Riverside Industrial Park Superfund site.

I wanted to introduce myself to you and share the attached promotional flyer for the upcoming virtual public meeting for Riverside Industrial Park. Today, EPA issued a Proposed Plan identifying its preferred cleanup alternatives for addressing contamination at the Riverside Industrial Park Superfund site. EPA's proposal addresses contaminated soil, groundwater, and vapor intrusion as well as waste removal and cleaning out an inactive sewer to prevent an uncontrolled release of contaminants to the environment.

A 30-day public comment period on the Proposed Plan begins today, Wednesday, July 22, 2020 and ends on Friday, August 21, 2020. As part of the public comment period, EPA will hold a virtual public meeting on the Proposed Plan on **August 5, 2020 at 7:00-9:00 p.m.** To participate in the meeting, please see the attached flyer and visit our website for more information: [www.epa.gov/superfund/riverside-industrial](http://www.epa.gov/superfund/riverside-industrial).

Please contact me with any questions.

Thank you and looking forward to your participation.

In health,  
Shereen
